

LDPE Pipes Specification Sheet

Product Features

Advantages

Durable and reliable

Resistant to corrosion and water

Superior flow characteristics - smooth internal wall

Impact resistant

Non toxic, light weight and cost effective

LDPE CLASS 3 NON SABS TYPE

| Internal Diameter (mm) | Average Inside Diameter | Outside Diameter | Average Wall Thickness |
|------------------------|-------------------------|------------------|------------------------|
| | mm | mm | mm |
| 15 | 15.85 | 18.35 | 2.5 |
| 20 | 20.7 | 24.05 | 3.26 |
| 25 | 26.75 | 30.01 | 3.26 |
| 32 | 34.2 | 37.85 | 3.55 |
| 40 | 40.4 | 44.6 | 4.2 |
| 50 | 51.65 | 57.15 | 5.5 |
